

AGASSI

TENNIS GENERATION™

Precautions

- This disc contains software for the PlayStation®2 computer entertainment system. Never use this disc on any other system, as it could damage it.
- This disc conforms to PlayStation®2 specifications for the PAL market only. It cannot be used on other specification versions of PlayStation®2.
- Read the PlayStation®2 Instruction Manual carefully to ensure correct usage.
- When inserting this disc in the PlayStation®2 always place it with the required playback side facing down.
- When handling the disc, do not touch the surface. Hold it by the edge.
- Keep the disc clean and free of scratches. Should the surface become dirty, wipe it gently with a soft dry cloth.
- Do not leave the disc near heat sources or in direct sunlight or excessive moisture.
- Do not use an irregularly shaped disc, a cracked or warped disc, or one that has been repaired with adhesives, as it could lead to malfunction.

Health Warning

For your health, be sure to take a break of about 15 minutes during every hour of play. Avoid playing when tired or suffering from lack of sleep. Always play in a well-lit room, sitting as far from the screen as the cord will allow. Some people experience epileptic seizures when viewing flashing lights or patterns in our daily environment. These people may experience seizures while watching TV pictures or playing video games. Even players who have never had any seizures may nonetheless have an undetected epileptic condition. Consult your doctor before playing video games if you have an epileptic condition or immediately should you experience any of the following symptoms during play: dizziness, altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and / or convulsions.

PIRACY

The unauthorised reproduction of all or any game part of this product and the unauthorised use of registered trademarks are likely to constitute a criminal offence. PIRACY harms Consumers as well as legitimate Developers, Publishers and Retailers. If you suspect this game product is an unauthorised copy, or have any other information about pirate product, please call your local Customer Service number given at the back of this Manual.

See back page of this manual for Customer Service Numbers.

SLES-52125

1 or 2 Players • Memory Card (8MB) (for PlayStation®2) : 251KB minimum • Multitap (for PlayStation®2) compatible : 1 to 4 Players • Analog Control Compatible: all buttons • Vibration Function Compatible

AGASSI

TENNIS GENERATION

Starting a game

Set up your PlayStation®2 computer entertainment system according to the instructions in the instruction manual. Attach game controllers and other accessories, as appropriate. Turn the MAIN POWER switch ON at the back of the console and open the disc tray by pressing the  button. Place the Agassi Tennis Generation disc onto the disc tray and press the  button again to close the disc tray. After the introduction has finished you must select the language you wish to use. Use the   directional buttons to select the desired option and press the  button to confirm. If you have a previously saved Agassi Tennis Generation saved game on your memory card (8MB) (for PlayStation®2) inserted into MEMORY CARD slot 1, any changes to your configuration will be automatically loaded at this point. It is advised that you do not insert or remove accessories once the power is on. Make sure there is enough free space on your memory card (8MB) (for PlayStation®2) before commencing play.

Menu Screens

Main Menu:

To scroll
To select
To select Singles
or Doubles
in Arcade Mode

Quick Match - select from Main Menu

Up to four players can play in this mode, in any combination of singles or doubles. To play with four players you will need a multitap (for PlayStation®2) and four controllers. Insert the multitap (for PlayStation®2) into controller port 1 of the console and attach controllers BEFORE turning the power to the console ON. Insert the controllers sequentially into controller port 1-A, controller port 1-B etc. Select the court surface and location, and then select whether the game is to be a singles or doubles by selecting the appropriate number of AI Characters or human players. The game consists of one match with a default setting of 3 games to win. See Options Menu to change default settings.

Select Court:

← ↑ → ↓
X Button

To select court and location
To Select

Match Configuration:

← ↑ → ↓

Start Button

X Button

O Button

△ Button

Select Singles or
Doubles and
change your court
Position

Register ready
to play
Remove Player
Back or Main Menu

NB: When additional controllers are connected the screen will display the appropriate number of players.

Player Select – Singles Quick Match Mode:

← ↑ → ↓

X Button

To review the 32 players highlight each face
and see the player in action with his statistics
Select your choice of players and opponents

Loading Screen activates and Game commences.

Player Select – Doubles Quick Match Mode:

← ↑ → ↓

X Button

Loading Screen activates and Game commences.

Arcade Mode - select from Main Menu

This mode is for one or two players, either as singles or doubles. Select the type of game you wish to play and then select the character you wish to use. There are five rounds with a default setting of Easy for the first round with each subsequent round becoming increasingly difficult. See Options Menu to change default settings.

Player Select – Singles Arcade Mode:

X Button

To review the 32 players highlight each face and see the player in action with his statistics
To Select Player

Player Select – Doubles Arcade Mode:

X Button

To review the 32 players highlight each face and see the player in action with his statistics
To Select your choice of players

Loading Screen activates then game commences.

Agassi Tournament - select from Main Menu

This mode is single player only, playing as Agassi against AI opponents throughout the Tournaments. The challenge of this mode is to take Agassi through 10 Tournaments winning enough points to become Number 1 in the world. Pressing Start during game play will select the Pause screen, which offers the options of making configuration changes or forfeiting the current match by selecting Quit Game. To completely quit Tournament Mode press the Δ button to return to Main Menu.

Agassi Tournament - Current Game Display:

The Load Game screen appears if a previous game has been saved to a memory card (8MB) (for PlayStation®2). Each save slot shows the current location in the tournament, the round and match number.

Agassi Tournament – Tournament Draw:

Automatic scroll through the draw until Agassi's match is reached.

- ✕ Button To play the first match (loading bar will appear)
- Button View Score Table
- △ Button Back / Main Menu

Agassi Tournament - Score Table:

- ←↑→↓ To Scroll through Score Table to view current position and winnings
- Button To deselect Score Table

Options

Options:

- ←↑→↓ To scroll through options
- ✕ Button To select
- △ Button Back/Main Menu

Controller Setup:

Displays existing configuration of Controller see Controls Section.

Sound Options:

- Audio Mode (Surround/Mono/Stereo) This allows you to select whether you wish to hear the soundtrack in Surround Sound, Mono or Stereo.
- Effects Volume This provides you with the ability to switch the Effects on and off or to adjust the volume.
- Umpire Volume Offers you the choice of adjusting the volume of the Umpire when he calls the score or switching it off completely.
- Crowd Volume Offers you the choice of adjusting the volume of the Crowd noise or switching it off completely.
- Music Volume Offers you the choice of adjusting the volume of the music or switching it off completely. Commentary Volume.
- Commentary Vol. Offers you the choice of adjusting the volume of the commentary or switching it off completely.
- Exit To return to the Options Menu.

Display Options:

Adjust Screen	This option allows you to adjust the screen position if required.
Show Player Indicators	Displays an indicator under each players character to help identify them.
Exit	To return to the Options Menu.

Game Options:

Game Speed	(SLOW/ MEDIUM/ FAST)
Number Of Sets	(1/3/5) Offers the choice of how many sets you want to play in the session. One set can be a useful way of a quick practice to get your finger and hand coordination warmed up.
Games per Set	(3 - 6) This option offers the choice of selecting how many games you wish to play in each set. See Tennis Explained section for the default game settings.
Tie Break	(YES/NO). This Option allows you to play with or without it.
Difficulty	(Easy, Medium, Hard) These three skill levels have been created to allow you to enjoy playing the game whilst learning and improving your game play. As a beginner selecting Easy allows you wider margin for error in your shot placement, but on Medium this is reduced and when Hard is selected you will be playing shot for shot against your opponents with no allowance at all.
AI Difficulty	(Easy, Medium, Hard)
Exit	To return to the Options Menu.

Load Configuration:

Confirmation	Yes/No. Selecting Yes loads the existing configuration on your memory card (8MB) (for PlayStation®2). Selecting No returns you to the Options Menu.
--------------	---

Save Configuration:

Confirmation	Yes/No. Selecting Yes will save the configuration to your memory card (8MB) (for PlayStation®2). If you change the configuration but do not save then the changes will be lost when the console is turned off. No returns you to the Options Menu.
Exit	To return to the Options Menu.

Ingame Controls

Pause Menu:

Pressing Start during game play will select this screen allowing you to make configuration changes or quit the game.

↑ ↓	to scroll
X Button	to select
CONTINUE	Select this option to continue the game after making any changes.
Controller Setup	Setup the controller from one of four config. options.
Sound Options	Change the sound options (see sound options earlier in the manual for more information)
Quit Game	Quit back the main menu, or aborts the current match in Agassi Tournament Mode.

Serving:

To Start the serve motion you can use any of the following:

X Button	Normal Serve
L1 & R1	Normal Serve
○ Button	Top Spin Serve
□ Button	Slice Serve

A second press of any of the above selects the strength of the serve and launches it.

A rainbow arc following the Character's upward throw will indicate the strength of serve by the arc's colour, red indicating a strong serve

Ball Control:

X Button	Smash, Forehand, Backhand – Press the button harder for more speed and length
← ↑ → ↓	Press after the X Button to change the angle and height of the ball

Game Play Screen:

- Panel Top Left – displays the current score.
- Minimap Screen Right – Image of the court mirroring the player positions and ball flight path.

CONTROLLER SETUP - Default Setting

Strokes:

Menu Selection:

There are three additional configurations available which will change the controller as follows:

Config 2	Config 3	Config 4
△ Button × Button ○ Button □ Button Top Spin Slice Lob Serve/Smash Fore/back-hand	L1 & L2 × Button ○ + R1 □ + R2 △ Button Camera angles Lob Top Spin Slice Serve/Smash Fore/backhand	△ + × R1 + ○ + □ R2 L1 L2 Camera Angles Serve/Smash Fore/Backhand Top Spin Lob Slice
